Provo, UT | aidanmad@byu.edu | linkedin.com/in/aidan-madsen-51747a329

EDUCATION

Brigham Young University 2020 – Apr 2027

BS in Economics, GPA 3.8. Minors in Information Systems and Entrepreneurship

- Study abroad: BYU Jerusalem Center for Near Eastern Studies (Spring/Summer 2025). Private Equity & Venture Capital Club, Product Management Club.

EXPERIENCE

Student Analyst Intern, Nucleus Fund Aug 2026 – Present

Salt Lake City, UT

- Source, screen, and diligence early-stage Utah startups for a $40M fund established by the State of Utah to commercialize university research.
- Write investment memos as part of a 3–5 person analyst team.

Co-Founder, Printadontics Apr 2025 – Present

Provo, UT

- Co-founded software that lets dentists and orthodontists design and 3D-print aligners, trays, retainers, and snore guards in-office instead of outsourcing to dental labs.
- Product includes AI tray generation from patient scans, an attachment library, and print-ready export.

Analyst, Philo Ventures Nov 2025 – Aug 2026

Pleasant Grove, UT

- Led due diligence for the EcoClean acquisition as main author of the diligence packet, using Gemini and Claude workflows to test the investment thesis.
- Co-authored and executed a 90-day post-acquisition go-to-market plan with the Head of GTM, the Acquisition Lead, and fellow analysts.
- Evaluated business viability for private equity roll-up targets by analyzing EBITDA, revenue, and operational data.
- Built a Python automation for lead generation, cold outreach, and CRM management that scaled outreach to 500+ contacts per week.

Entrepreneur, Sandbox Startup Accelerator Apr 2025 – Apr 2026

Provo, UT

- Engineered and launched Chapshift, a revenue-generating AI-powered SaaS platform on the Apple App Store and Google Play.
- Led syncs between technical development and marketing; iterated on AI features from market research and user testing.
- Executed sales and market-entry strategies, securing early adopters through direct outreach and demos.

Volunteer Jul 2022 – May 2024

Buenos Aires, Argentina

- Managed logistics, trainings, housing, and stipends for a 200+ member organization.
- Delivered hundreds of instructional lessons in Spanish to diverse groups.

RESEARCH

- **How Does Raising the Punishment for Purchasing Prostitution to a Felony Level Affect Sex-Related Crime Rates?** ECON 398, with Carly Pope and Clara Eccles. Synthetic control study of Texas H.B. 1540 using FBI NIBRS data (2013–2023) in Stata.
